

# *People First Best Chapter of Year Nomination Form ~2010~*

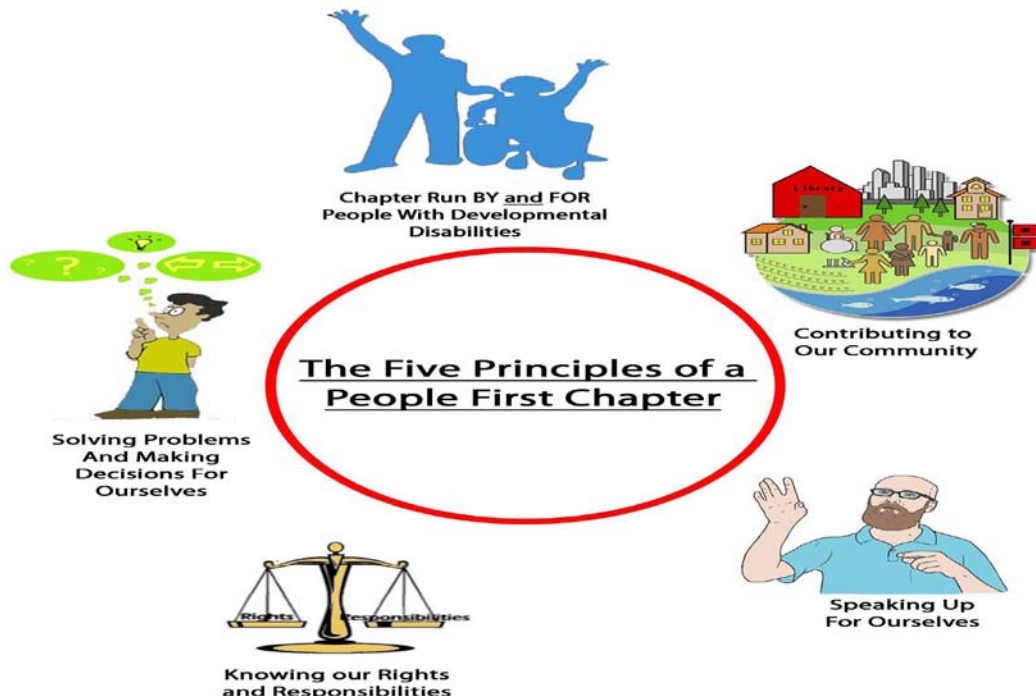

For the first time and in order to honor of our past Board Member Nicky Fabyunkey, People First of California, Inc. has created this award for "Best Chapter of the Year." Nicky was a strong believer in the Five Principles of People First. These principles include, solving problems and making decisions for ourselves, speaking up for ourselves, contributing to our community, knowing our rights and responsibilities, and making sure chapters are run BY and FOR people with developmental disabilities.

We need your help in finding a chapter that meets these 5 principles, shows how they have put these principles into action, and that these actions have made a difference in the lives of people with developmental disabilities.

Please complete the Nomination Form by mailing to People First of California at 1225 8<sup>th</sup> Street, Suite 360, Sacramento, CA 95814; emailing to [info@peoplefirstca.org](mailto:info@peoplefirstca.org); or faxing to (916) 441-3494.

Applications must be received by Monday, May 3<sup>rd</sup>, 2010. If you need help in filling out this form please call People First of California office at (916) 552-6625. The winner will be announced at the 2010 People First of California Statewide Conference June 11-13, 2010 in Sacramento (save that date). Thanks for your help!
